Announcement

This is the ninth year in succession that this Annual Spring Combination Sale in the South Omaha Sale Pavilion has been held under my management and each year many of the same consignors are back with good cattle and a few new herds are added to the list. I am personally acquainted with every consignor but one and have visited practically every herd that is represented and give it as my opinion that this offering of cattle represents as high class Shorthorn cattle talent as there is in the states of Iowa and Nebraska.

In years gone by I have had to turn down many cattle that were not attractive or saleable for this event, realizing that when a careful buyer comes any considerable distance to buy breeding stock that he should have the privilege of bidding upon cattle that will be suited to his needs.

I have seen most of the sires of this offering and as they pass through my mind in connection with the thirty or more Scotch tribes below them in the pedigrees listed in the following pages I know that these breeders are selling cattle that are worthy of competition at fair prices.

Buyers can depend upon a good offering of cattle. The consignors have done their share in making this condition. My mission, as manager of the sale, is to assist the buyers in getting their cattle loaded out in good shape; giving special attention to requests for group shipments so as to cut down the transportation costs; follow up the freight charges after the shipment has reached the buyer and otherwise co-operate with the buyer in making the purchases satisfactory.

Last year I secured refunds on five shipments on which there was an over charge in freight. It is the desire of the carriers to have these cattle billed to their destination at the lowest possible rate, but agents at small towns frequently do not have a clear understanding of the rates that should apply and overcharges are made.

Car lot shipments west bound take the feeder rate which is 25 percent less than the fat cattle rate. All purchases are billed as ordinary livestock, unless otherwise directed, and thirty-six foot car requested. This gives the minimum rate on car lots.

Come to the sale and bring a friend.

H. C. McKELVIE, Sale Mgr,

Lincoln, Neb.

Information

Lots will be sold singly or in groups to the highest bidder, without reserve. In some cases, groups of two or more head of desirable sizes and ages, either sex, may be sold at so much per head, the purchaser taking the group. Cows with calves at foot sell as a single lot.

The cattle will be cared for and fed until turned over to the Stock Yards Company, who will load them on board the cars free of charge to the purchaser. No charge is made for feed or care unless held later than March 26th.

The terms of the sale are cash, unless arrangement is otherwise made with the owner of the cattle.

Give your name and address to the clerk. If your shipping point is not the same as the postoffice address, please make this plain, so that pedigrees can be sent with least possible delay. Shipping blank in back of catalog.

A pedigree and health certificate accompanies each lot selling, and the sixty-day re-test privilege is granted.

All animals of breeding ages are guaranteed breeders. Females well along in calf or with calves at foot are considered breeders without further guaranty. Animals failing to breed after a trial of six months may be returned to the seller, if in good condition. The seller reserves the right to try the animal for a period of six months, and if the animal proves to be a breeder it shall be returned to the purchaser at his expense. If it fails to breed, the purchase price will be refunded or an animal of equal value chosen, at the option of the buyer.

REMEMBER ABOUT GROUPING SHIPMENTS. Buyers can obtain a considerable saving in shipping or trucking charges where two or more from the same locality bill out together. This can be arranged for with the clerk without extra expense to the purchasers. Three head or more going by freight ship the cheapest at car lot rates. This entitles the buyer to transportation and if the shipment is west bound it goes at 75 percent of the fat cattle rate. Purchases will also be turned over to any commission firm in case the buyer or some one else shipping into his locality has room in an outgoing shipment from the yards.

Be sure to give complete shipping instructions to the clerk.

The sale will be started at 1 o'clock p. m. sharp each day.

Mads Hansen is selling three bulls and four heifers all sired by Diamond's Beau. Mads says: "We do not like to put in any foot notes but we are sending you a better bunch than we have ever sent before." I want to say for this firm that they have had cattle in the annual spring sale for three consecutive years and every time their cattle were good. They had the top cow and the top heifer of the sale last year. Diamond's Beau is a great sire. His get are rugged and easy feeding. They appeal to the good cattle man. signed) H. C. McKelvie.

Villager's Monarch is a very growthy bull of the right type. His dam is one of our best breeding cows and she is a very heavy milker, a point that we have never over-looked when buying cows to put in our herd as breeding cows. We are milking this bull's dam since she calved in January and she is doing just as well or better than some of the dairy cows we have been milking. She is also a very regular breeder. This bull is a very rugged, masculine fellow and just the kind of a bull to please the man looking for a bull ready for heavy service. Look over this bull if you want a real bull in every way.

Edgecote Augusta is a calf of great promise as a herd bull prospect; coming from the good sire Edgecote Supreme in the Bellows Bros. herd and out of the good daughter of Fair Sultan and of the Augusta family. His breeding is surely faultless and in conformation he is just the sort of bull that a great many breeders are looking for, his color is right and he should breed right. We would not hesitate to use this calf and in consigning him to this sale we feel he will be eagerly sought after.

Bapton Marshal is a low-down soggy kind, smooth and meaty. He is well enough bred and good enough individually to go to the head of a good herd. You will like this bull for his type and true Shorthorn character, and the fact, that he comes from a line of ancestry well known for their producing worth, makes this bull highly desirable.

Bapton King is a calf of much promise as a herd bull for the men looking for a bull that will get big and carry lots of flesh and still have a tendency for milk. The dam of this bull carried a great udder and his grand-dam was a great milker.

This bull is big, a good dark red and is straight and level and I fully believe he will please his purchaser more the longer he owns him. His pedigree is very desirable.

Village Blossom 2nd is a good coated, low down, deep-bodied heifer that is probably the best heifer that Clara's Villager sired for me. She is really a very desirable heifer from the standpoint of both bloodlines and individual merit, and mated to Bapton Major, I look for her to drop a calf that will be outstanding.

Village Blossom 2nd served by Bapton Major during August or early September.

Autumn Queen Lee is one of the cows in our herd that has made money for us even though she was purchased during the high times. She is a very rapid breeder and produces choice calves. This young cow is pleasing in appearance and is one of those kind that we hate to part with as she has always been busy and getting us good calves every time and more than that she is a good milker, always giving more than her calves can take. This cow sells with choice Red Bull calf at foot by Bapton Major. Calved July 20. Autumn Queen Lee—served by Bapton Major about September 10, 1923.

Mayflower 25th is one of the choicest heifers to be sold this season I am sure. She is one of the sweetest dispositioned heifers I have ever seen and without doubt the best I have ever produced. She is a show type from end to end and is in good shape to carry on for this purpose. She is a grand individual and from a family of rapid producers of the best sorts of cattle. She will be worth much to her owner.

Queen of Riches is an outstanding individual with as good a pedigree as can be written. Her dam is a heavy milker and a real producer and the buyer of this heifer gets one of the best we ever produced for here is a heifer that has the appearance of making one real breeding cow. She will not be in high flesh, but has always been growing and we predict that she will make a very valuable breeding cow.

Rebred October 20 to Edgecote Champion. This number and the six lots following are consigned by Ed. Farley & Son, Bancroft, Neb. For the past two or three years this firm has consigned cattle to The Congress Sale in Chicago where their entries met with the approval of buyers and demonstrated a fair rating with the best cattle in the east. The cattle listed by them for this sale are quality cattle of fancy breeding and will please. Edgecote Champion, in service in this herd, was the junior champion of Illinois, Iowa and Nebraska in 1921. He is getting some great calves and all of their entries are either sired by or bred to him. (signed) H. C. McKelvie.
